May 19th, 2008**

The Cris Love, Jr. Memorial Scholarship fund has already had an incommunicable effect in the Round Rock community. In the last year at Round Rock High School, three overly deserving individuals received scholarships to assist in making their collegiate endeavors become a reality.

Below is a brief highlight of last year's scholarship recipients that your gifts helped make possible:

Brenda Cu, two time class 5A state powerlifting champion, received a scholarship & is

attending The University of Texas at Austin & doing very well. She plans to become a Doctor.

Cody Honeycutt, whom was an offensive lineman at RRHS received a scholarship and is attending Hardin Simmons University where he started the last several football games as an Offensive Guard and is also doing well academically.

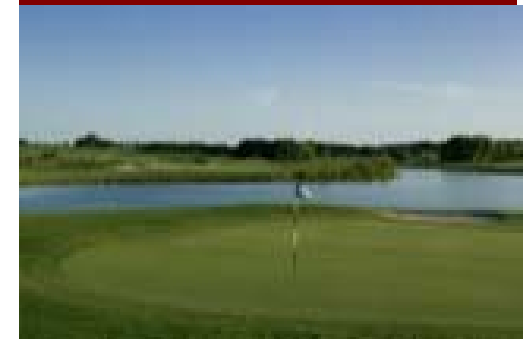

Sarah Jackson, former captain of the RRHS track team received a scholarship & is attending Texas A&M University. Sarah is majoring in nutrition and on the triathlon team.

In addition to these three scholarships, the memory of Cris and this golf tournament has also moved many individuals in a number of different ways as his memory serves as a beacon to encourage others to be a team player and give more to others than self.

Cris Wesley Love, Jr. (1982-2006)

The tournament is in memory of Cris, Jr. who passed away June 14, 2006 after a courageous battle with cancer. Cris graduated from Round Rock High School in May of 2000 and received a football scholarship from Iowa State University where he played quarterback. Cris graduated from Iowa State in August of 2005 with a Bachelors Degree in Health and Human Performance. He had a passion for fishing, in particular fly fishing, and he was an avid golfer.

Cris, Jr. is remembered by many for his character and willingness to give to others. Following the passing of Cris, Jr. Iowa State Head Football Coach Dan McCarny said "More than anyone, Cris was an example of selflessness and the epitome of a team player. I have often told my players that "if you forget yourself, you won't be forgotten." No one in my 30 years of coaching personifies that philosophy more than Cris Love."
